One of the best ways to prepare for the SAT is by knowing exactly what to expect from the test and by actually sitting through a full-length test. The Academic Booster Club sponsors a **Mock SAT** test that gives you the opportunity to take a complete test and get your scores, but without your scores being sent to College Board. **Available for all Wheeler students in all grades.**

Register now for the **Mock SAT** to be given at the Wheeler auditorium on **Saturday, January 20, 8:45 – 1:00**. Receive your test scores and attend a follow-up review session by Kaplan on Tuesday, January 30 at 7:00 p.m. in the Media Center.
